

THE GOULD BLUE AND GOLD

VOLUME IX—NUMBER 6

BETHEL, MAINE JUNE 6, 1951

FIVE CENTS A COPY

THE LINE-UP FOR '52

It seems nowadays that everybody is running around trying to predict what's going to happen during the next day, next week or the next year. We read about the amounts of money that will have to be raised to support the government, and how the solar system will move in the next quarter century.

Gazing into a rented crystal ball, a piece of yellow scratch paper with vaguescrawling appears. As the haze clears, the first title that stands out, Business and Advertising Manager, is followed by Henrietta Swain. The poor victim has pressed upon her the job of keeping the sheet well loaded with written commercials. Sometimes it is debatable whether its an advertising sheet with a few articles thrown in or whether its the school paper. But that's all right? Peggy really did do a swell job though it did seem that the ads were pushing over the 38th once or twice. That's to her credit.

The haze appears and then lifts again. This time is Sports Editor, Ted Chadbourne took the schedule's bit in his teeth and laid out assignments right and left. Guess who got stuck with those that were left! In '51 and '52 John Willard will have the task. This year has been fair and good; it's always easier to write up games that we win; next year ought'a be easy.

Feature Editors, Les Streeter and Alberta Merrill, pop up — They really have to get around to keep the paper spiced up. Well in '52 Levi and Helen Lunt will relieve them of their burdens. Both of these two hot potatoes can pry out the last juicy bit if anybody can.

Donna Littlehale held down the position of Circulation Manager, so my crystal ball tells me; but Shirley Bartlett's taking the reins next fall. Just hope that she doesn't try to send a copy to the White House. Honorable Harry might misinterpret one of the jokes and write us a nasty letter.

Pete Hussey it seems is going to arrange the photos for us in the fast approaching next school term. Pete goes over in a big way for photography; sometimes he spends so much time down in the darkroom he has to check with roomy "Skip" Bartlett as to whether it's still Thursday or not.

Teri Dean's going to be the Alumni Editor. That can prove to be a very tough job. When the graduating class gets out of the gym some of them feel like bustin' out all over. It's kinda hard to keep account of all the pieces; however, Eileen and Ruthy Donahue don't seem any the worse from the wear, huh?

Exchange Editor, a rather fascinating job goes to Carol Barton. She'll have to keep all the papers from other schools straightened out, one gets a red face if one school should get its own paper back again.

Carol will really be the paper's press agent. It's thru her that the other schools find out about Gould.

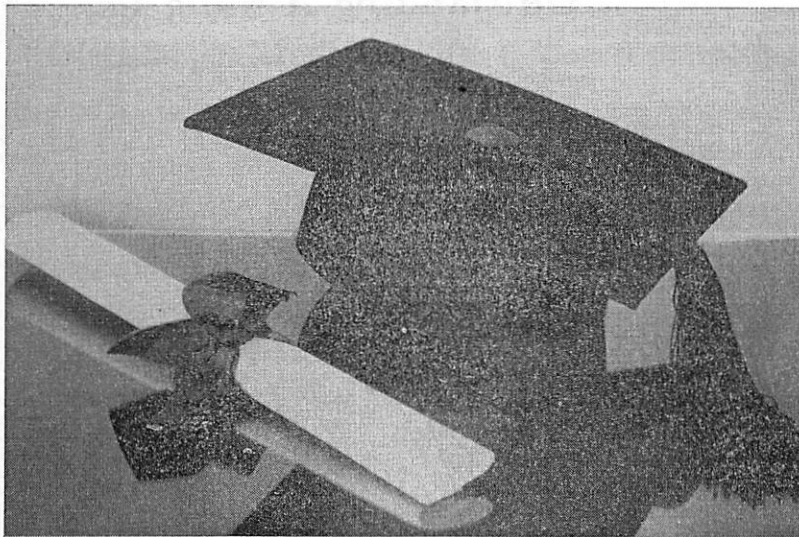

Mary Alice and Laura Wilson must be on the ball because we have seen some stray papers floating around.

The top three on the letter head crop up now. The Assistant Editors, Joy Smith and Lorraine Swan, are being replaced by Kathie Knowles and Don Bennett. They'll have to, along with Big Chief, write the helpful criticisms in that editorial column that has some influence on Gould gripes.

Sitting in the throne of the Editor-in-Chief will be the new Blue and Gold queen, Jane Mumford. Sally Robinson found out that it's a job to bring sweat to the brow. Jane can stand the strain of squeezing assignments out of us though, and we'll give her a lot of support.

Athletic Amazons Assemble

On Thursday, May 10, the annual Girls Athletic Association Assembly announcing next year's officers, representatives and manager, was held. The hard earned letters and numerals were also awarded to all girls who have earned the points required for such an award. After Miss Arndt had awarded the letters and numerals, the A. A. president announced next year's board. The results of the election are as follows:

President, Marilyn Mace; Vice President, Marie Mills; Secretary and Treasurer, Nancy Carver; Senior Representative, Carol Barton; Junior Representative, Shirley Bartlett; Sophomore Representative, Mary Ann Myers; Hockey Manager, Carolyn Brown; Archery Manager, Henrietta Swain; Tennis Manager, Donna Anderson; Hiking Manager, Joan Conner; Volleyball, Mary Stevens; Basketball, Sandra Stowell; Skiing, Carolyn Brown; Badminton, Marolyn Daye; Softball, Tina Dorey.

On the Sunday, following the Assembly, the AA, both new and old members, left the Girls Dorm in high spirits (as the boys' Dorm knows!) at 6:30 in the morning and rode in the back end of a truck thirty miles to Hasting's Camp on Lake Umbagog. The weather was fine and the food even better. Everyone had a good time, but when the tired but happy gang returned to civilization (Bethel, to be exact) they looked like a truck load of red hot lobster! Oh, those aching-aching sunburns!

GIFT GIVEN BY GOULD GRADUATES

The Senior class of 1951 is going to give a picnic table and benches for the use of future students here at Gould. They will be built back of the Girls' Dorm. With the building of the fireplace by the class of 1950, the gift will make complete a wonderful picnic spot where Gould students can gather to have picnics and a lot of fun. It's easy to visualize the table overflowing with hotdogs, hamburgers, and plenty of marshmallows to toast. We all appreciate their gift and their kindness, and we know that the future students of Gould will spend many happy hours there.

Society Selects Superior Students

In assembly on Monday morning, May 21, the National Honor Society held an induction of new members. This was the first time that a public ceremony had been given to admit new members. Each of the old members, together with Mr. Ireland, took part in the program. The old members are Laura Wilson, Nancy Van Den Kerckhoven, Ted Chadbourne, Leslie Street-er, and Rosemary Kelley.

The following five seniors and four juniors were taken into the club: Seniors, John Mason, Jim Durham, Charlotte Stevens, Peggy Champlain, and Tommy Lamson; Juniors, Carol Barton, Marilyn Mace, Donald Bennett, and John Willard.

On Wednesday afternoon, May 23, the Society, with Mr. and Mrs. Ireland, and Mr. and Mrs. Bowhaw went to Mr. Ireland's camp on Kezar Lake for a picnic.

Soon after everyone arrived, the boys took a short dip in the cold water. After this everyone went inside to feast upon a delicious meal of lobster, ham, salad, potato chips, cold drinks, hot coffee and strawberry shortcake.

When everyone had eaten all he could hold, the new members for a further initiation had to perform stunts; everyone sat in the living room before the cheery fireplace to be royally entertained. Peggy Champlain, Carol Barton, Tom Lamson, and John Mason harmonized on a few well-known songs; then, card shark Jim Durham baffled his audience with some neat tricks. This was followed by two dances performed by Marilyn Mace and John Willard. The program was concluded by some more interesting card tricks, this time by Charlotte Stevens.

The rest of the evening was spent in singing songs by the fireside, Mrs. Ireland played the organ.

At eight-thirty everyone piled back into the cars to return home after a wonderful picnic that will be remembered for a long time.

Dramatic Duo Delights "Joint"

On Thursday, May 3, Hal and Ruby Holbrook, a dramatic team, entertained a large audience at the William Bingham Gymnasium.

The two scenes given in the forty minute program were "Queen Victoria and Prince Albert," by William Shakespeare, and "An Encounter with an Interviewer," by Mark Twain.

The first of these scenes took place on the morning after Queen Victoria's and Prince Albert's wedding day. The child-bride watched her husband shave, a procedure she never had witnessed before. The numerous questions on the act of shaving which she asked him brought many laughs from the audience.

The second dramatization shown portayed a society editor's interview with Mark Twain. Much to her confusion, the man tells her many amusing but conflicting stories. Finally, after he insisted that he died when he was two weeks old, the interviewer rushed out of the room with a hurried and shocked thanks.

At the beginning of the program, Mr. Holbrook spoke to the audience telling them a few facts about the team.

Before each scene, Mrs. Holbrook told a little of the lives of the people they were about to portray.

The couple received much applause from the enthusiastic audience, and by the end of the program, they had won many new admirers and friends.

TRADITIONAL TEA IS TOPS

On May twenty-ninth, the traditional Senior Tea was given by Mrs. Ireland at her home.

The Senior girls came informally in cotton dresses, and were greeted by Sue Hamilton, charming as co-hostess. After the guest book, handled by Rosemary Kelley, was signed, Mrs. Ireland gave a brief history of how this Senior Tea tradition had started and developed from the old Twentieth Century Club. The girls were then shown a varied display of trophies and pictures.

SOPHISTICATED SENIORS GIDDY AND GAY JUST FOR ONE DAY

The annual Senior Day picnic and final assembly will be held this year on Friday, June 8th.

The day will start off with the most important assembly of the year in the William Bingham Gym. Some of the awards will be presented. Following, the class day parts and class prophecy will be read and the gifts presented. Then the address to the undergraduates will be made by John Knowles. The reply will be given by Pete Johnson, president of the Junior Class. The assembly will be closed with the presentation of the class gift.

At eleven the same morning the gay seniors will leave for their outdoor picnic to be held on the island at Lake Thompson in Otisfield, Maine. The afternoon will undoubtedly be a grand one for the activities will be varied and numerous and the food excellent. There on Lake Thompson the seniors will enjoy boating, swimming, surf-board riding, tennis, and ball games. The day will end with the evening meal and a bus-load of tired but very happy seniors making the trip home.

ALUMNI DAY

According to tradition, Alumni Day, Saturday, June 9, the day before graduation ceremonies take place, will be a day filled with activities.

At 12:30 the William Bingham Gymnasium will be the scene of reunion and reminiscence, for there will be held the Alumni Banquet, which will be attended by the seniors, alumni, parents, and friends of Gould Academy.

Upon the Alumni Field at 3:00 the present Gould varsity baseball team will meet a make-shift alumni baseball team in a game bound to provide laughs and thrills.

Following the game, the headmaster's home will be open for a tea for the seniors, alumni, and parents.

This busy day will be climaxed by the Graduation Ball beginning at 8:00 p. m. To the music of Gordon Howe's orchestra, the senior will dance for the last time as students of Gould Academy.

The interior of the gym will be cleverly decorated by a committee of industrious seniors. Entering the gym, one will pass under a flower-bedecked trellis. From the center of the ceiling will be suspended the blue and gold Gould seal with blue and gold streamers radiating from it to all points on the balcony, the sides of the balcony being adorned by the usual class banners. About the stage will be hung black traditional graduation caps with white tassels. These decorations, combined with the spring formals and sweet dance music, will provide an enjoyable evening, and the whole day's schedule will tend to make Alumni Day unforgettable for all who attend.

After all the girls had arrived, they were led into the dining room where a delicious array of sandwiches, brownies, tea cakes, and punch awaited them, served by the able committee composed of Jane Daland, Lynn McCann, Jean Renwick, and Barbara Lawrence.

The Seniors appreciated Mrs. Ireland's gracious hospitality and her efforts to carry on the tradition of the annual Senior Tea.

EDITORIAL

IN WHAT CAN A SENIOR BELIEVE?

In hundreds of schools and colleges in this spring of 1951, students will listen to earnest, sincere speakers who will speak to them of Service, of Altruism, of The Torch Held High. And thousands of young listeners will lend a keen ear for the Word to help make clear the chaos which they see in international affairs, the weakness which they see in high places, the premium which seems to be placed on graft, on downright thievery, on merit laid low and lack of merit raised high. Let us pray that they do not listen in vain.

There have been times as difficult as these, altho perhaps scaled on lesser global dimensions than seems evident today. But let no cynic say that after each period of terrible depression there has not been a more-than-compensating period of positive growth. "Truth crushed to earth shall rise again" is a truism of history which has repeated itself over and over again in the struggle of this wonderful aggregation of human beings which forms God's Mighty Experiment on this whirling mote of matter we call our Earth.

We need look no further than the courage displayed thru two awful wars by that ruggedly heroic people of England, to illustrate this Truth. With boundless enthusiasm, building on the very ruins of the blitz, they have made come to life a mighty Festival, whose pageantry and buoyant initiative tell the world, "With God's help, here we stand, unafraid of what the future may bring, hurling a challenge to Fear. Come! Observe us! And believe, with us, that Man is a creative, thinking, feeling creature with a soul, capable of infinite courage, expressing God in what he does and in what he is." Perhaps here the seniors of 1951 may find the Word.

Perhaps they will find it in the infinite compassion on the face of Lincoln. Perhaps they may find it by the bedside of some beloved friend who is about to embark on what Charles Frohman, famous theatrical producer, called "Life's greatest adventure" as the waves enveloping the sinking Lusitania closed over him. Perhaps they will find it before the sacred altar of marriage.

For the Word is of God.

And the Word is—God.

Bouquets To

With sincere and heart-felt appreciation of all the help and encouragement your editor-in-chief received from the following people, I wish to personally thank them and acknowledge a year's job well done: Lorraine and Joy, for their aid in getting those "last assignments"; Ted and Peggy, for their everlasting dummifying up; Alberta, for her constant energy and willingness to write those tributes to others—here's one to you, Alberta, and thanks; to "ye eds" in the alumni, exchange and photographic departments, to

our efficient circulation manager, to our excellent, speedy, and faithful workers, the typists and last, but not least, the loyal reporters! To Mr. Thompson and Mr. Brown go special grateful and appreciative bouquets, for help when most needed.

Honor Students

Outstanding Among Us

Theodore Chadbourne, better known as Ted, has been chosen outstanding among us for the boys. He has attended Gould for four years and has been a very prominent member of our class. He was born in Lewiston, Maine, on April 29, 1933. Ted later moved to Bethel and attended Bethel Primary and Grammar Schools.

Ted was elected president of our class this year and was a member of the Student Council for two years. He was awarded the Scholarship Medal his Freshman year. During his four years at Gould, he has been a member of the Outing Club, Glee Club, Varsity Glee Club, Camera Club, Editorial Board, "Blue and Gold" staff, Debating Club, and the Discussion Club. He has also participated in the Baccalaureate Choir, and the Christmas Cantata. He was elected by the faculty and other student members to the National Honor Society his Junior year.

In sports, Ted has been most active in skiing, track, and Cross Country of which he was Captain this year. His hobbies are mountain climbing, sailing, and stamp collecting.

His high type character is attested by the esteem in which he is held by both the faculty and the student body.

Ted has no definite plans for next fall as yet, but we know he will do a fine job in whatever he chooses to do.

Sally Robinson has been chosen outstanding among us for the last issue of the "Blue and Gold" this year. She has been very prominent in studies as well as sports since she came here as a Junior. She has received honor marks in all of her studies.

Sally was born on January 21, 1934, in Wilkes-Barre, Pennsylvania. She attended the Wilkes-Barre day school for ten years, after which she came here. She now lives in Dallas, Pennsylvania.

She has been an active member of the Glee Club, Varsity Glee Club, and Camera Club. She is Editor-in-Chief of the "Blue and Gold" and was a member of the Editorial Board of the "Academy Herald" this year. Sally has participated in the Christmas Cantata and was a representative from this school in the New England Music Festival.

Sally has been most active in hockey, badminton, soft ball, tennis, hiking, and skiing. Her favorite hobbies include tennis and horseback riding.

Sally, a loyal friend to those who know her best, has the spark and personality which put her at ease in any company; and the cheerfulness and originality with which she tackles something new makes working with her a pleasure.

Next fall, she plans to attend Vassar College where we are sure she will do fine work, if what she has done at Gould is an example.

X-Change Column

To end up the year with a bang, let's look at some of the jokes from other schools.

Girls, when they went out to swim,
Once dressed like Mother Hubbard;
Now they have a bolder whim;
They dress just like her cupboard.

Overheard in chemistry class:

The earth makes a resolution every twenty-four hours.

Nitrogen is not found in Ireland because it is not found in a free state.

When you breathe you inspire. When you do not breathe you expire.

Name three states in which water may exist: Washington, Oregon and Maine.

Chlorine gas is very injurious to the human body, and the following experiments should therefore, only be performed on the teacher.

Mr. Timpte: "When was Rome built?"

Student: "At night."

Mr. Timpte: "Who told you that?"

Student: "You did. You said Rome wasn't built in a day."

"Isn't nature wonderful! A million years ago men did not wear glasses but how conveniently our ears were placed."

"They say women dress to please themselves and it seems it doesn't take much to please them."

Sighed a busy Houston allergist last week:

"Doctors have discovered that hay fever can be either positive or negative. Sometimes the eyes have it and sometimes the nose."

Son: "Gee, pop, there's a man at the circus who jumps on a horse's back, slips underneath him, catches hold of its tail, and finishes up on the horse's neck."

Dad: "That's easy. I did all that the first time I ever rode a horse."

Father (to young son): "When Abe Lincoln was your age he was making his own living."

Son: "Yes, and when he was your age he was president."

A clerk in a large office ventured to approach the manager with a plea for promotion. "I've been in my present position since you became manager, sir," the clerk began.

"I know it—I know it," responded the great one, waving him away. "I have a reputation for being a very patient and considerate man."

Sergeant: "When I say fire I want you to fire at will."

One recruit dropped his gun and fled from the shooting range.

Sergeant: "Who is that?"

Another Recruit: "That is Will."

From "Rays of Sunshine"

(Headmaster's note: This poem came to my attention in recent readings. The author seems to have put into words far better than I the formula we are all striving to find in order to gain success.) He longed to find the road to fame;

But not a highway bore that name.

He thought to glory there must be

A level path that he should see;

But every road to which he came

Possessed a terrifying name. He never thought that fame might lurk

Along the dreary path called "Work."

He never thought to go and see

What marked the road called "Industry."

Because it seemed so rough and high,

He passed the road to "Service" by.

Yet had he taken either way

He might have come to fame some day.

MEMORIAL DAY EXERCISES

The Memorial Day Exercises were held Wednesday afternoon, May 30, at 2 o'clock. The parade led by the Gould band and followed by the legion, boy scouts, girl scouts, Gould students, and Grammar school students started off the exercises.

The program consisted of the following with Mr. Vachon as master of ceremonies: Selections were played by the band, John Willard gave the address which was given on Iwo Jima, the salute to the dead, and the Memorial Day Address was given by Fred Rowell of Norway.

A FAREWELL

Each year at Gould brings the arrival or departure of a teacher. Each one brings new ideas for the betterment of the school. Some serve the school thru endless hours of supervision and extra-curricular activities as well as their regular six hours in the classroom. Many of these teachers start new clubs here at Gould, leaving behind them when they go enjoyment and success for many who have joined in these activities.

This year we are bidding farewell to two of our teachers, Miss Griggs and Miss Mayo. Behind them they will leave fond memories of the help they gave us all, each in her own way.

Miss Griggs first came to Gould in 1940. She has taught Music Appreciation, Theory and Harmony, voice and piano lessons. It was Miss Griggs who founded the William Rogers Chapman Club, an organization which is now very active and puts on three or four fine concerts each year. This club has also put on excellent operettas in previous years.

Before Gould Miss Griggs taught in Massachusetts, Rhode Island, and in Newport, Vermont, as a Music Director.

As her eleven years of service to Gould close she is making plans for next year. After the summer here in Bethel she plans to go to Morristown, New Jersey.

Miss Mayo came to Gould two years ago. Since that time, she has helped many students in various ways. She has had speech classes, formed a Discussion Club, and taught an outspoken Problems of Democracy class. Also on her list of subjects were—Civics, World History, Reading, and English.

Before Miss Mayo came to Gould in 1949, she completed a graduate course at the University of Maine, securing her Master's Degree. She had taught in Punahow School, Honolulu, Lincoln, Maine, and in Mount Desert, Maine.

At the present time, her plans for next year are indefinite.

To these two teachers, we bid farewell and wish them continued success in the future.

SING-SING

It's spring once more and therefore the time for music. This idea has been thoroughly fulfilled and sweet notes have predominated the campus all this beautiful season. There have been many excellent concerts and the tunes of these can still be heard flowing from the mouths of some of the students and even the faculty. The following are the concerts that have been presented by Gould and other musical clubs this spring.

The second annual concert of the combined varsity glee clubs of Gould, Bridgton and Fryeburg Academies was held in the William Bingham Gymnasium on Sunday, April 29. These clubs are under the direction of Miss Ann L. Griggs, Richard Goldsmith, and Frank Petillo, respectively.

The idea of having these annual combined concerts was devised last year. It has proven to be quite practical as it causes relations between the schools and promotes fellowship among those who participate in the concerts. Also, the music presented by these groups shows great talent and superior direction and the music is enjoyed and appreciated by all.

The following program was presented at this time:

CHAPMAN CLUB CONCERT

Wednesday, May 16, and Friday, May 18, the members of the William Roger, Chapman Club voted for next year's officers.

Replacing Jean Renwick as president is Janice Lord, Vice-president Les Streeter is followed by Pete Johnson. Beverly Lurvey will be taking over Sue Hamilton's job of secretary.

Read Cheyne will succeed Harry Look as treasurer. The position of program chairman will be filled by Dick Emery who is taking the place of Tommy Lamson. Certainly with this group, nothing but the best of results can be expected.

On May 27, 1951 at 8:00 P. M., the Chapman Club gave its last concert of the year. The senior members entertained and did an excellent job. Jean Renwick and Sue Hamilton joined talents on two pianos and produced a lovely version of "Canadian Capers" and "Malaguena."

"My Hero" and "My Lover is a Fisherman" were sung by soprano, Gloria McKeen, and accompanied by Laura Wilson at the piano. Eileen Linnell, on the flute, played "Siciliano" and "Rigaudon."

Her accompanist was Nancy Van. "Etude in E Major" was played by Sue Hamilton at the piano. Nancy Cummings accompanied baritone Bob Tift as he sang "Without a Song," and "Blue Moon."

The senior members of the club joined together in the singing of "Wunderbar," and "June Is Bustin' Out All Over," with senior, Jean Renwick, as accompanist. Nancy Cummings played "Minuet in G" by Faderewski followed by soprano Nancy Van singing "Let My Song Fill Your Heart" and "Zigeuner."

Her accompanist was Laura Wilson. The "Warsaw Concerto" was played by Jean Renwick.

In closing, the entire Chapman Club Ensemble—seniors and underclassmen—joined in the singing of "Dream of Summer." The concert was a great success, and was enjoyed by all who attended.

Miss Griggs has done a marvelous job with the Chapman Club, and the fine musical talent therein. Unfortunately she will not be with them next year, but we are sure the club will carry on the fine work that has been done this year, and in years past.

BLATANT BAND BLARES

The bands of Gould Academy, Hebron Academy, Norway Community, Norway High School, Mechanic Falls High School, and Buckfield High School formed into one mass band under the direction of Mrs. Pearl Cook Kilborn gave a concert at Hebron Academy on Sunday, May 20, and the same concert was given at Gould on May 27.

These concerts were held on the athletic fields of both academies and the participants of the band filled the air with music.

There was no admission to the concerts and large crowds turned out to cover the hillside facing the band.

On each side of the band there were majorettes, representing Gould, Norway and Mechanic Falls. While the band played, these majorettes did various twirling acts thus added to pleasant-sounding music to make the program very enjoyable.

This was the first combined band concert to be given at Gould. Hopes are that there will be many in the future.

The following program was presented:

OPEN HOUSE HELD IN THE SHOP AND HOME ECONOMICS COTTAGE

On Thursday afternoon, May 24, we were all privileged in visiting the shop and home economics cottage to spend a few enjoyable minutes surveying the results of a year's work by the students in these fields. The brief visit was enjoyable and certainly the efforts of the students were appreciated.

Mr. Anderson and his shop students had prepared for their annual exhibit by arranging displays (throughout the large room) of the boys' handiwork. Many lamps, gunracks, and cedar chests were in evidence, beautifully done and worthy of all the words of admiration and praise which they received.

On Thursday afternoon, also, open house was held in the home economics cottage, with refreshments served by Miss Whitney and her apt assistants. Upstairs in the cottage the girls had arranged some of the clothes made during the year as well as various outside projects in which they understandably take much pride.

OPINIONS APPRECIATED

As this school year comes to an end, we think of the Seniors and what they will be doing next year. To most of them, the future means more than another year at Gould. College life begins to focus on the minds of some, while others are thinking of new jobs, and all of meeting new faces. We decided that the underclassmen as well as the Seniors themselves would like to know just what their friends are planning for Fall, 1951. Below are the dreams, hopes and plans, some tentative to be sure, but nevertheless plans of some of our Senior classmates of 1951.

Laura Yates is planning to start training at the Central Maine General Hospital.

Janet Bean is going to study at Colorado Women's College in Denver, Colorado.

Gracie Taylor, besides other things, is going to spend next year celebrating her graduation!

Ruthie Berry, besides going to Westbrook, is going to help Gracie . . . celebrate.

Gloria McKeen also is entering the hospital at Lewiston to train.

Ruth Donahue hopes to train at Northshore Hospital in Salem, Mass. We'll have a lot of future nurses, won't we?

Joan Cornell plans to go to business college back home in Montreal.

Les Coolidge says he might go to work or he might go to college.

Jack Neal is entering the University of New Hampshire.

Gary Melville thinks the Navy is for him.

Ted Chadbourne is planning on college, although he hasn't quite made up his mind where.

Doug Schumann is headed for Springfield College, or perhaps the U. S. Navy.

Under the Cupola

We hear that there was quite a riot in the sixth period book-keeping class the other day. It all began when Colleen and Hobby started playing toss with poor little Berta's pencil case. Well, it seems as though Colleen's aim must have been a wee bit off because the pencil case went whizzing through the air and—presto!—one broken window pane. Don't worry though, girls, Ross said he'd gladly put in the glass for a measly \$3.00 per hour!

Edward, how is your old jalopy taking the hills these days? I know a few kids who hope you are driving alone the next time you run out of gas.

A few of us have been wondering why Gailey has become such a baseball fan all of a sudden.

If anyone wants to know the techniques of how to drive out of a mud hole, just ask Arlene. By the way, how are Muffet's ulcers?

The seventh period Home Ec. girls thought they heard mice the other day, but they were mistaken. Mr. Richardson took a nasty tumble down the front stairs. Why, girls, he's a man, not a mouse!

\$64 question: Why is it when Spring comes along and some Sophomore we know gets the urge to go fishing, the fish just won't cooperate?

If a girl gives apples to her favorite teacher or borrows his text book every night, there is nothing wrong with that; but, when she writes notes on the blackboard, it's carrying it a little too far, isn't it, Phyl?

The Monday gym classes after the Girls' A. A. Picnic and Miss Mayo's expedition brought moans of agony from the girls' locker rooms. As they slowly changed their clothes, the pale members of the classes dashed gleefully from one red specimen to another offering weird advice that was guaranteed to turn those fiery backs into golden tans or else . . . !

It has been discovered that three brave underclassmen stealthily sneaked up in the Congo Church steeple on Saturday night to see the town under a full Spring moon. If it hadn't been for Betty Ann's turtle they might have been scared!

From all reports it seems as though Miss Swift is going to have to teach her typists how to stay in their chairs. Remember, girls, Senior Dignity!

PLUMBING AND HEATING

Teri's trip materialized into a hair dryer for Joy.

Even a fan belt can't keep SOME couples snowed under—throughout the winter months you two of Gorham had trouble with snow—what next???

It's wise to keep a toe hold on your man, Joy, but, believe me, it isn't necessary to crush it by backing over it with a car!

Who had Kelly's hair dryer?? Is it under the bed?? In the closet?? East Overshoe???

A picture can be the safest thing at the right time!!

Winking, blinking, and nod—one Jr. even winks at teachers—intentional or not, Sue???

Tommy has spent many sleepless mornings since Doc has been bitten by the "waiting-on-bug"!!

Margie's cast adds much to the "Candy Cave" on third hall (we hear it's a warning against light-fingers).

If you hear two third-hallers speaking to each other in such endearing terms as, "Hello cookie-ie!", you'll know that they are only remembering the fateful evening they spent after one too many—(cookies, that is!) cleaning up the scattered crumbs.

For a while we thought the Easter Bunny had dropped in again on second hall, leaving eggs in the wash bowls—who could it have been?? Anyway, Dita and Shutt seem to be making a mad scramble to see who can get there to clean up first!!

Miss Arndt—we know, but we won't tell who let the air out of your tires and ran like h—!!! and isn't nylon wonderful???

Do you sleep with your eyes open—Maybe you're suffering from two much. . . (something) ????

Bev and Barb—who are you trying to imitate Digger-O-Dell?? I bet the watch man (who by the way was last seen in East Overshoe still ahead of Symons in the race) is still a little shaky!

Carolyn Brown has a secret way of frightening her roommate—(it takes hours to get Sue out of the closet) we hear she's practicing a Southern drawl to use when she gets back to the big town!!

Bloody Bones—Bloody Bones—A scream—Lights!!! What, no lights???

Skip the airwick!!! It's the end of the year and all's forgiven!!

One night Hamilton and Lawson were really on the ball—Sue with her "measure of madness" and Barb strenuously doing her exercises (?) We hear Sue could barely stand by the door to receive the real dressing down she and her roommate got!!

Whose Bean-bag clown sings so well that it deserves a free ride to varsity??

With the coming of spring it appears that several of our more athletic Holdenites are spending their leisure time at the tennis courts. What is there that has lured our comrades from their pool room to the torrid atmosphere of the tennis courts? It is merely the fascination of smashing the elusive ball over the net or is there another reason for their sudden interest in tennis?

The current question on the Holdenite agenda is who's escorting whom to the Senior Prom. This presents quite a problem to some of our more illustrious inmates, doesn't it, Tom? Ironically enough the juniors seem to have the problem well in hand.

An epidemic of fractured legs has seemingly broken out in our sacred dorm. Fortunately this contagious disease was checked with the completion of the Gym Meet.

Sally: "From my civics book. It says that the population of New York is very dense."

G. A. TRACKMEN TROUNCE GORHAM, N. H.

At Alumni Field on Monday, May 14, a good crowd, brought out by a warm spring day, saw Coach Joe's boys take 12 of the 13 first places from the Gorham, N. H., trackmen to tally up a score of 92½ to 20½.

Penney, of Gorham, gave Gould a rough time by winning the 220 yard dash, placing in the hundred yard dash and 880, and taking a third in the 110 yard low hurdles.

Norm Ferguson came close to cracking the Gould mile record when he made an easy win in 4:52. Chadbourne and Lamson took second and third in the mile. Warren Hastings cleared the bar at 9 feet to win the pole vault. Gerry Emery won the discus with a throw of 119 ft. 6½ in. Bennett and Bacon took second and third in the discus.

Les Streeter hit the tape first in 59 seconds to win the 440-yard run; Hobly Lowell and Eddie Hastings were second and third. Johnny Symons won the 100-yard dash for the third straight time in three track meets in 11 seconds. Bacon won the shot put with a throw of 40 ft. 1½ in. Gerry Emery won the broad jump when he leaped 16 ft. 7½ in.

The 880-yard run was won by Melville in 2:23.8. Johnny Symons again knocked off a first in the 120-yard low hurdles to give him three straight in this event, also. Frankie Linnell was second. The high jump was a tie for first between Hastings and Bacon in leaps of 5 ft. 2 in. Hobly Lowell won the javelin throw with a heave of 143 ft.; Yates and Bacon were second and third.

Gould won the 880-yard relay in 1:42.

Summary:

220-yard dash: Won by Penney (G); second, Streeter (GA); third, Symons (GA). Time 25 seconds.

Mile run: Won by Ferguson (GA); second, Chadbourne (GA); third, Lamson (GA). Time 4:52.

GOULD TAKES OPENER FROM PARIS, 7-5

Behind the five-hit pitching of starter Dave Jordan, South Paris succumbed to Gould 7-5 on Alumni Field, April 28.

Paris' Hile led off in the first inning with a single to left, moved to second on Bean's grounder, and scored when Snow reached on an error.

Gould went scoreless and hitless in the first inning but came back to score six runs in the second. Harry Bartlett's over-the-fence home run pushed Elwell and Jordan across in front of him. Then Mason singled, "Speedy" reached on a bunt, Chase walked, and Paul Bartlett racked up three more R. B. I.'s with a triple to right.

The second inning was too much for Paris' starter, Richards, and he was relieved by the veteran southpaw, Snow, who allowed only one Gould tally the rest of the game.

Bean scored again in the third, Hile in the fifth, and Bailey and Weeks in the sixth to account for the five Paris runs.

Johnson, Mason, Agnese, and the Bartletts all collected good hits, the former getting two each with "Skip" and Paul Bartlett getting a homer and a triple respectively.

Jordan struck out 13 for Gould and walked four while Snow and Richards whiffed 8 and gave free tickets to 10.

NORWAY 10—GOULD 8

Gould's baseball team met its first defeat of the season on the home field on May 1, when topped by Norway 10-8.

Norway hammered out 11 hits against Gould pitchers, 7 against Agnese in five innings and 4 against Adams, who pitched well in relief.

Thurston of Norway pitched well, allowing only 3 runs on 8 hits and whiffing 20 Gould batters.

Gould picked up 1 run in the fifth inning, with 2 more in the seventh on 3 consecutive hits by Chase, Johnson, and Paul Bartlett, Chase and Johnson scoring.

Norway picked up 4 runs in the second inning on three hits, five in the fifth on three hits and one in the ninth. Five Husky errors aided the Norway cause.

GOULD 11—GORHAM 9

The Gould Huskies traveled to Gorham, N. H., on May 5th where they won an 11 to 9 ball game.

Dave Jordan chalked up his second win of the season for Gould. He struck out nine men and gave up five walks. In the fourth inning, Dave turned in a top performance, striking out three men in a row. Herbie Adams relieved him the ninth inning.

Therrien, Perkins, and Elchle went to the mound for Gorham with the change of pitchers coming as a result of runs racked up by Gould in the 3rd and 8th. Perkins was their outstanding pitcher with four strike-outs to his credit.

Chase led off the batting for Gould with two triples and a single, and Dick Elwell smashed out a home run. Jordan was top scorer for Gould with three runs. Gould led in batting with 11 hits to Gorham's 7.

Gorham's short stop and relief pitcher, Therrien, was high scorer for his team with three runs.

Paul Bartlett made some nice catches in center field, robbing three Gorham batters of base hits.

The only dark moment of the game for Gould came in the last of the ninth when four runs were scored. Two walks were given up and two men reached first on errors. Relief pitcher Herbie Adams retired the side after a fly-out to left field and two put-outs at first base.

FRYEBURG 12—GOULD 6

The Huskies met the Fryeburg nine on May 9 at Fryeburg. It was a cloudy day and the teams had to withstand frequent light showers.

The first time at bat proved profitable to the Huskies as they got two hits and two runs. Chase started pitching, striking out six and walking two. Jordan took over the mound in the fifth inning and struck out seven while walking one.

Our other big inning was the third, three runs being scored then. The remaining run was obtained in the seventh.

The third inning was the big inning for Fryeburg, also; they scored five runs then.

Only two hits were allowed by Jordan; the remaining twelve were off Chase. We got ten hits from their pitcher, Thompson, who struck out seven and walked four.

Paul Bartlett was the big hitter for the day, getting four hits in five times at bat. Second was Chase who got three for five.

GOULD "SNOWED" UNDER 18-1 AT SOUTH PARIS

Although Gould was out-hit by only a 12-8 count, May 12, Billy Snow, Paris' smooth working southpaw chucker scattered the seven singles and one double so effectively that only one Huskie got around the circuit; that was in the sixth frame when Harry Bartlett walked and Pete Johnson doubled to drive him in.

From starter Dave Jordan, Paris picked up two runs on no hits in the first inning, one run in the third, and then came the big fifth inning—

Paris exploded! Barker was hit by a pitched ball; Harney singled and took second on an error by Johnson, Barker going to third. Jordan then loaded the bases by walking Weeks; Martin singled, driving in Barker and Harney. From there on it was just one big parade up to the plate, to first, home from third to score. After seven Parisians had scored, Bob Davis went in to get the last two out, allowing only two runs to come across.

Davis did an excellent relief job but the damage had been done. Jordan had fourteen runs against him and Davis four.

Snow whiffed seventeen.

GOULD 8—MEXICO 3

On May 15 the sixth game of the season was won by the Gould sluggers on the home field from Mexico 8-3, big right-hander Dave Jordan allowing only 3 runs on 4 scratch hits while Mexico pitchers allowed 8 runs on 10 hits.

Gould picked up one run in the second inning but Mexico came back in the first of the third with a one-run rally to tie it up. Gould attained 3 runs in the fifth and 3 more in the seventh, while Mexico picked up single runs in the 6th and 7th to complete their score.

Paul Bartlett led the Huskies hitting attack with two home runs and 3 runs batted in.

Jordan struck out 18 men while walking 7, pitching Gould to one of their best games.

GOULD 5—NORWAY 3

On May 19, with a record of three wins and three losses, our baseball team traveled to Norway, Maine, where they chalked up a fourth win in a five-to-three thriller.

Norway's pitcher, Thurston, gave up six walks and seven hits and had thirteen strike-outs to his credit, while Jordan walked five, gave five hits and struck out nine.

Pete Johnson scored two runs for Gould and had two stolen bases and three hits to his credit. Harry Bartlett, Chase, and Howe also scored for Gould. Norway's three runs were scored by Robinson, Guilford and Saleeby.

Norway led by two runs until the top of the sixth when, after a batting spree, Gould came out in the lead with three runs. A double by Howe and a triple by Thurston, Norway's pitcher, were the only long hits of the game.

Norway left six men on bases while Gould stranded ten.

GOULD 9—FRYEBURG 1

On May 22 our team won a 9-1 ball game from Fryeburg Academy while playing on our home field.

The game was not close at all, as we took an early lead. Seven men went to bat for Gould in the first inning and runs scored by John Mason, Paul Bartlett, and Pete Johnson put the score at 3-1 after the first inning of play. It was during this first inning that Fryeburg's only run was scored, by center fielder Burrell.

Fryeburg was held to their one run thru combined good fielding and pitching by Gould. Davis did a good job on the mound, giving out no walks and striking out three, and eleven men were put out on fly balls.

Phil Lovejoy topped the batting for Gould, being credited with three put outs and having a record of two runs and three hits for four times at bat.

Johnny Mason, Paul Bartlett, and Pete Johnson, the three who scored in the first inning, each came thru with a second run in the sixth.

Before this game had been played, Gould had a record of four wins and three losses and one of the three games lost by Gould was a 6-12 game at Fryeburg two weeks earlier.

It was noted that our team played their best ball of the season during this game.

GOULD 7—MEXICO 4

On May 29 Dave Jordan pitched the Gould sluggers to success when they defeated Mexico High 7-4 at Mexico.

Gould took the lead in the first inning when Paul Bartlett hit a sensational home run, driving in Mason. This may have been the longest hit ball ever hit at Mexico, going 400 feet on the fly. After an unsuccessful second inning they picked up two runs in the third, one in the 6th and two in the 9th, scoring seven runs on six hits.

Mexico scored four runs in the fourth inning for their score of the day, ten runners having batted, only one making a hit but four scoring with three left on. Jordan pitched a good game, striking out thirteen batters, walking nine.

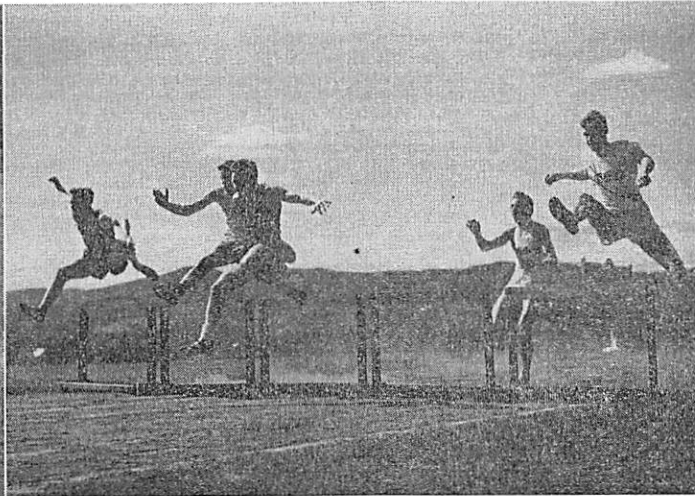

Frazer struck out five men and passed six.

BATES RELAY CROWN WON BY GOULD

After a mid-season week of practice in baton passing and quarter miles for the milers, the Husky track crew led a field of eight to garner class M honors at the seventh annual Bates Relay Carnival in Lewiston, Maine. Teams scoring were Gould 37, Cape Elizabeth 30, Wells 28, Kennebunk 20, Farmington 10, and Wilton 1.

In the morning's field events Wells had amassed a formidable 28 points for unquestioned leadership. Gould claimed but nine, from Lowell's javelin win (147 feet 2 1/2 inches), and Hastings first place tie in the high jump (5 feet 5 inches).

In the first relay, the 440, Gould (Emery, Tift, Linnell, Symons) was nosed out by inches by the Kennebunk team in the first heat. The second, and best, went to Cape Elizabeth at 46.9 seconds giving Gould a two-point third place.

In the 880 relay Gould (Emery, Linnell, Lowell, Streeter) stepped high yet taking second behind the same Cape Elizabeth quartet, which won this time in 1:38.6.

The mile relay team of Ferguson, Chadbourne, Lamson, and Lowell turned in a near-record 3:49.9 for a Husky's ten points, winning by a sizable distance.

Still a point behind Wells and only three ahead of the powerful Cape Elizabeth, the mile medley team of Streeter (440), Tift (220), Symons (220), and Ferguson (880) established and stretched a lead over second-place Cape Elizabeth to win by the greatest margin of the day, in 3:56.8.

EDDIES TOPPED IN TRACK OPENER 71-46

At 2:00 p. m. Saturday, May 5, the Gould track season opened with a bang from Joe Roderick's starting gun. A bright sunny afternoon and a good crowd of fans saw Gould trounce Edward Little High of Auburn, 71-46, to get the season off to a good start.

Gould racked up seven firsts, highlighted by the mile run which finished with Norm Ferguson and Ted Chadbourne breasting the tape hand in hand at 4:58.

Warren Hastings took the honors for the pole vault, easily, clearing the bar at 7 feet 10 inches. Frank Linnell copped first place in the high hurdles for Gould in 19 seconds; Gerry Emery was close behind to take second. Johnny Symons ran the 100 yard dash in 10.7 seconds, followed by Bob Tift for second. Warren Hastings again added to Gould's score by winning the high jump at 5 feet 6 1/2 inches; Bacon tied for second with Hanscomb of Edward Little. Johnny Symons grabbed his second first place for the day by winning the low hurdles in 15.2 seconds.

The 880 yard run was won by Ferguson to give him two firsts for the afternoon, also. Chadbourne and Tom Lamson were second and third respectively. Ferguson's time was 2 minutes 16 seconds.

FARMINGTON, KINGFIELD BESTED ON CINDERS

Gould's well-balanced track team scored a second impressive victory, May 9, in gathering 8 1/2 points on Farmington's Hippach Field against 5 1/2 for the host team and two points for Kingfield. Scoring was 5-3-2-1, with four places judged in each event.

The Huskies' dominance was principally in the running events where Symons captured the century dash in 11.2 seconds and 120-yard low hurdles in 14.5. Streeter won the 220 and 440 yard runs in 25.2 and 55.4 seconds, and the Chadbourne-Ferguson combine paced off the 880 in 2:14.3 and mile in 4:53.6, breaking the tape hand-in-hand each time. All-important second and third places on the track were claimed by Tift, Linnell, Lamson, and Lowell. Ellis and Alexander finished one-two in the 70-yard high hurdles to give Farmington its only triumph on the track.

On the field, Ellis won the broad jump at 19 feet 2 1/4 inches followed by Emery and Lowell; Hastings and Bacon took the high jump together at 5 feet 4 1/4 inches, with Emery tying for third; and the pole vault went to Farmington's Hobbs who beat out Hastings at ten feet.

Lowell bettered Ellis' mark on his last throw, putting the javelin out 149 feet 5 1/2 inches; third best was Yates. The discus was won by Capt. Emery at 123 feet 4 inches, with Bennett getting a fourth. Bacon's third was Gould's only claim in the shot which Bailey of Farmington put 40 feet 8 1/2 inches.

Dave Ellis, scoring for the home team in four events, was individual high scorer with 14 points.

GOULD TRACKSTERS GRAB OXFORD COUNTY TITLE

On Saturday, May 26, at Mexico, the Gould Track Team brought home the bacon again when they walked off with the Oxford County Track Meet. The Huskies put more than thirty points between them and the second place team, Stephens High of Rumford, to chalk up a score of 67 1/2 points to Rumford's 34 1-6. Fryeburg was third with 23 1/2 points, and Mexico, the host team, trailed last with 18 points.

The Huskies were ahead from the start of the meet. When only two events had been run off, they held a six point margin and after six events, they had increased their winning margin to seventeen points.

Brown of Fryeburg was the star of the meet with three firsts in the broad jump, the 220, and the 440 yard dashes. Dick Gallant of Mexico scored a double win by taking the honors in the mile and the 880. Johnny Symons of Gould scored two firsts in the 180-yard low hurdles and the 100 yard dash, which he ran in 10.6 seconds. Warren Hastings went away with his usual two firsts in the pole vault and the high jump.

OUTSTANDING BALANCE UPSETS POWERFUL SKOWHEGAN DEFENDER

The Gould track and field team regained its Class M State Championship (fourth in sixth years) at Colby College, Waterville, May 2. Twelve schools struggled for the title, but defender Skowhegan and challenger Gould monopolized the contest down to the wire; the final score: Gould 53 11-35, Showhegan 52 16-35. Trailing were Fort Fairfield 23, Kennebunk 17 16-35, Traip Academy (Kittery) 14, Farmington 13 2-35; Fryeburg 11, Thornton Academy (Saco) 5 6-7, Winslow 2, Lawrence (Fairfield) 0, Ellsworth 0, Rockland 2 6-7.

It took scoring in 11 of the 13 events to win the meet. Going into the final event, the 880, Gould trailed the leaders by 9 1-7 points, more than any team had scored in one event all day. Chadbourne hit the tape a stride ahead of Ferguson, while Lamson passed a Skowhegan runner for fourth, giving the 11-1 score which turned the tide. Earlier Ferguson had won the mile, followed by Chadbourne third, and Lamson fifth. In the shorter races, Symons, next year's newly-elected track captain, and Tift, were second and third in the 100, each gaining another second in the low hurdles and 220 respectively. Streeter had a second in the 440.

Bacon and Hastings were in a tie for third, high jumping, and the latter tied for fourth in the pole vault. Bacon was fifth in the shot; Lowell third in the javelin; and Bennett third in the discus, where Captain Emery earned the gold medal.

Shot put: First, Rouleau (R); second, Hale (F); third, Bacon (G); fourth, Staples (G). Distance 40 ft. 7 in.

Discus: First, Emery (G); second, Hale (F); third, Rouleau (R); fourth, Bennett (G). Distance 121 ft. 3 in.

Pole vault: First, Hastings (G); second, Morrison (R); third, Putnam (G) and Schwind (R) (tie). Height 9 ft. 8 in.

High jump: First, Hastings (G); second, Bacon (G); third, Emery (G); fourth, a tie between Morrison (R) and Zale (R), and Cox (F). Height 5 ft. 1 in.

Broad jump: First, Brown (F); second, Schwind (R); third, Morrison (R); fourth, Emery (G). Distance 20 ft. 9 1/4 in.

100 yard dash: First, Symons (G); second, Mawhinney (M); third, Tift (G); fourth, Schwind (R). Time 10.6 sec.

220 yard dash: First, Brown (F); second, Tift (G); third, Hale (F); fourth, Streeter (G). Time 24 sec.

440 yard dash: First, Brown (F); second, Streeter (G); third, F. Swett (M); fourth, Kilbrith (R). Time 56 sec.
